

REMARKS

The Supplemental Amendment more fully clarifies that the viscosity referred to in claims 68 and 70 is measured at 20°C. This Supplemental Amendment also clarifies that claim 71 refers to the cleaning *agent* of claim 70. Support for the amendments to claims 68 and 70 can be found in the specification, as filed, for example, on page 26 lines 11 and 15.

Prompt consideration and allowance of claims 33-71 are earnestly solicited.

Respectfully submitted,

James A. Oliff
